

Enter Your Nest Pro ID.

Each Nest Pro has their own Nest Pro ID. This code should be input into the thermostat upon every installation order to:

- Activate the 5-Year Extended Pro Warranty.
- Get your contact information displayed on the thermostat.

5-Year Extended Pro Warranty.

The Extended Pro Warranty only applies to professional model Nest Learning Thermostats that are installed by a Nest Pro.

To activate an Extended Pro Warranty, you must enter your Nest Pro ID upon thermostat installation. You can find your Pro ID on the Pro Portal.
