**DILUTION CONTROL PROGRAM**

# WHAT IS DILUTION CONTROL?

**Dilution control is a chemical management system consisting of equipment, closed loop chemical concentrates, and water. Through the use of equipment, chemical concentrates are combined with water and dispensed as ready-to-use cleaning solutions.**

## WHY USE DILUTION CONTROL?

The top 3 benefits of dilution control are safety, dilution accuracy, and waste reduction.

### **Safety:**

Through the use of closed loop systems, end users are never in direct contact with concentrated chemicals.

### **Waste reduction:**

More is not always better! Dilution control reduces cleaning costs by up to 30% by fixing the dilution. Unlike the "pouring method", the correct amount of chemical is dispensed every time.

### **Dilution accuracy:**

Concentrated cleaning chemicals are designed to work best at their targeted dilution levels.

Inaccurate dilutions can lead to ineffective cleaning and infectious outbreaks. Accurate dilutions lead to optimum product performance.

## INTRODUCING *SureBlend*

# *SureBlend*

The *SureBlend* dilution control system is a perfect blend of style and performance. The system provides users with dispensing options and effective chemical solutions at a low in-use cost. Installation and use of the dispensers and products have been designed for optimal efficiency and ease of use.

## THE *SureBlend* BOTTLE...

The *SureBlend* system incorporates a special, custom designed bottle. This 80 oz. bottle reflects the style and high levels of performance associated with the *SureBlend* system.

# SureBlend

Single knob for intuitive product selection.

Holds up to four 80 oz. bottles and proprietary cap to lock out the competition.

On/Off push button locks for filling up mop buckets and automatic scrubbers.

Chemical view window for monitoring product usage.

Fresh water rinse.

Single key locks both cabinet doors.

One handed bottle activation point mitigates foam.

The *SureBlend Q* delivers an easy to use dilution control system. These pre-plumbed units do not require installers to connect a mess of water lines to different chemical compartments. Simply hang this unit with the included mounting template, connect your main water supply and you are on your way! The single key locking cabinet houses four chemicals which can be selected by turning a dial and switching from large container filling to a quart bottle is as easy as the touch of a button. The features of this unit are many and so are the user benefits.

# SureBlend

With a space efficient design, the *SureBlend S* is a single button chemical dispenser. This pre-plumbed dispenser includes a mounting template for easy hanging and the ability to connect multiple units together. The stainless steel hanging bracket not only provides stability for hanging the dispenser, but also for holding the selected chemicals. Upon opening, the unit can be set for quart bottle filling or large container filling.

# SureBlend

Hanging bracket assembly for hands free dispensing.

Proprietary cap to fit 80 oz. bottle.

Handle activated trigger for one handed operation.

Locking ring (red) for continuous flow.

Available Accessory: Foamer Hose

\*SureBlend P shown with Foamer Hose

- Attaches to portable unit with 4' discharge hose and connector.
- Discharge hose length allows for ergonomic easy holding and activation of dispenser at waist level.
- Foaming wand detaches for spray application.

Flexibility is the key factor of the *SureBlend P* portable dispenser. Out of the box, this dispenser is ready to start filling quart bottles or large containers. After attaching the chemical and a water supply line, the one-handed operation of this unit helps make dispensing easy. A foaming accessory kit is available with this dispenser as well when chemical dwell times need to be extended on vertical surfaces.

# SureBlend CHEMICAL PRODUCT LINE....

Product	Dispenser Use	Gallon Yeld/ Bottle	Description
<b>0</b> REN07133-SB - 2481043  <b>PEROXIDE POWERED CLEANER DEGREASER</b>		81	EcoLogo certified all-purpose cleaner. Hydrogen peroxide oxidizes the soil and stains, destroys odors and provides color safe bleaching action. No rinse required.
<b>1</b> REN07131-SB - 2481041  <b>NON AMMONIATED GLASS &amp; SURFACE CLEANER</b>		41	Ecologo certified formula cleans and shines glass. Can be used as a light-duty cleaner on mirrors, sinks, countertops, stainless steel, and all other surfaces not harmed by water.
<b>2</b> REN07134-SB - 2481044  <b>ORGANIC ACID RESTROOM CLEANER</b>		13	Ecologo certified formula cleans away soap scum, mold & mildew stains, hard water deposits, rust stains, body oils, fats and dirt. Effectively removes difficult stains from ceramic tile floors and grouting.
<b>3</b> REN07135-SB - 2481045 <b>NON-ACID RESTROOM &amp; BOWL CLEANER/DISINFECTANT</b>		41	Non-Acid Restroom Cleaner. Cleans, disinfects, and deodorizes in one step. Hospital grade. High pH.
<b>4</b> REN07132-SB - 2481042  <b>SUPER DUTY CLEANER/DEGREASER</b>		41	Ecologo certified formula lifts and emulsifies soils, fats, oils and greases without the use of solvents. Can be used to clean most hard surfaces such as walls, tile & grout, food processing and service areas.
<b>5</b> REN07140-SB - 2481050 <b>ENZYME ENRICHED FLOOR CLEANER &amp; DEODORIZER</b>		41	Enzyme Enriched Floor Cleaner & Deodorizer. Grease digester with a pleasant potpourri scent. Provides bleaching action that brightens surfaces. Biological action continues to work between cleanings.
<b>6</b> REN07137-SB - 2481047 <b>NEUTRAL DISINFECTANT</b>		161	Neutral Disinfectant & Detergent. Cleans, disinfects, and deodorizes in one step. Hospital grade.
<b>7</b> REN07139-SB - 2481049  <b>NEUTRAL FLOOR CLEANER</b>		161	Ecologo certified formula for everyday floor cleaning. Ideal use in mop and bucket cleaning or automatic floor scrubbers. Neutral pH. No rinsing required. May be used as a light duty spray and wipe cleaner.
<b>8</b> REN07142-SB - 2481052 <b>LOW ODOR ULTRA FLOOR STRIPPER</b>		13	Low Odor Ultra Concentrated Stripper. Rapidly penetrates and strips off floor finish with minimum labor. Ideal for use in areas where odors are a concern.
<b>9</b> REN07141-SB - 2481051 <b>ANTI-SLIP FLOOR GLOSS RESTORER</b>		41	Anti-Slip Gloss Restorer. Designed for high speed maintenance. Create an anti-slip surface. Effectively cleans the floor and restores gloss. Can be mopped on or used through an automatic scrubber.
<b>10</b> REN07138-SB - 2481048  <b>GENERAL PURPOSE FLOOR CLEANER</b>		41	Ecologo certified formula performs all cleaning applications including removal of heavy grease and soil. Moderate foam. Leaves a clean, film free surface. Ideal for scrub and recoats.
<b>11</b> REN07136-SB - 2481046 <b>PEROXIDE DISINFECTANT</b>		41	Peroxide Disinfectant. Cleans, disinfects, and deodorizes in one step. Formulated with the power of Hydrogen Peroxide. Hospital grade disinfectant.
<b>12</b> REN07130-SB - 2481040 <b>ALL PURPOSE CLEANER</b>		126	Film Free All Purpose Cleaner. Removes heavy grease and soil. Moderate foam. Ideal for scrub and recoats. Aggressively removes embedded soils and scuffs. Prepares the surface for re-coating.
<b>13</b> REN07143-SB - 2481053 <b>SMOKE &amp; ODOR ELIMINATOR</b>		21	Odor counteractant. Instantaneously controls offensive odors and replaces them with a pleasant lavender fragrance. Safe to spray on most surfaces not harmed by water. Will not stain.
<b>14</b> REN07144-SB - 2481054 <b>LAVENDER BREEZE AIR FRESHENER</b>		21	Eliminates smoke and malodors by chemically neutralizing them permanently. Leaves a pleasant fragrance. Safe to spray on most surfaces not harmed by water. Will not stain.
