Glass Plus®

Glass & Multi-Surface Cleaner

Light-duty, non-ammoniated glass cleaner that cuts through dirt, grease and grime on windows, mirrors, appliances and more.

Effective

- Cuts through tough dirt, grease and grime to leave an unbeatable streak-free shine on any surface
- Does not contain ammonia so there are no lingering or offensive odors

Versatile

- Recommended for use on a variety of surfaces including windows, mirrors, appliances, stainless steel, chrome, aluminum, granite, marble, Formica® and solid surface countertops, ceramic tile, computer screens and more
 - Great on windows and mirrors, but it also works on appliances, countertops, ceramic tile, vanities and more
-

Glass Plus®

Glass & Multi-Surface Cleaner

Use Directions

Glass Plus® Glass & Multi-Surface Cleaner is a light-duty, non-ammoniated glass cleaner that cuts through dirt, grease and grime on windows, mirrors, appliances and more.

- Apply to surfaces with a suitable sprayer.
- For large vertical surfaces, work from bottom up.
- Wipe surface dry with a paper towel or lint-free cloth.

Important: When cleaning acrylic or polycarbonate, use a clean, soft, lint-free cloth. Do not rub on these surfaces if gritty or abrasive soil is present. Rinse soil from these surfaces before cleaning. Do not use on wood or other varnished surfaces. Spot test in an inconspicuous area before using.

Product Specifications

Description	
Color/Form	Clear blue liquid
Flash Point	> 200° F (> 93.4° C)
pH	10.5
Scent	Floral
Shelf Life	2 years
Solubility	Complete
Specific Gravity	1.0

Available Items

Product Code	Description/Package Size	Dilution
94378	12 x 32 oz./946 mL Trigger Sprayers	Ready-to-Use
94379	4 x 1 gal./3.78 L	Ready-to-Use

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
