The Dispensers

Each of these sturdy, visually appealing towers is designed specifically to hold and discharge one of three types of self-serve utensils – fork, knife or multi-purpose spoon (basic scoop shape plus a deeper profile for soup). There isn’t a more efficient or orderly way for you to stock – and your customers to select – the cutlery that is an essential part of your everyday foodservice operation.

- Closed design protects cutlery.
- Constructed of sleek, slightly smoked plastic.
- Refill markings provide immediate out-of-stock alert.
- Space efficient: Can mount on wall or stand on counter.
- Keeps serving area uncluttered.
- Easy-press lever releases one utensil at a time.
- Wipe-clean surface (using standard supplies).
- Each dispenser holds up to 120 utensils.

**SmartStock™ Cutlery Inserts**

**The Refill Inserts**

These pre-counted and pre-assembled inserts make it fast and easy to restock an empty dispenser. Just pick up a new cutlery insert, slide it into the dispenser, rip and pull away the binding tape, close the door and you’re done. It’s really that simple!

There are refill inserts for forks, knives and multi-purpose spoons (basic teaspoon shape with a deeper profile for soup).

- Refill inserts are condensed to save stockroom storage space.
- Each insert contains 40 utensils, evenly nested and bound.
- Refill process requires very little training.
- Loading is sanitary, no touching of cutlery.
- Utensil strength and rigidity for easy cutting.
- Cutlery is featured in sophisticated black.
- Standard utensil length ideal for any meal.
